

MPHO POLLEN MASIBIGIRI

COMPUTER SCIENCE GRADUATE

ABOUT ME

A computer science graduate with a passion for creating user-centric solutions. I have a strong foundation in programming languages such as Java, HTML/CSS, and JavaScript, and I am always eager to learn new technologies. I am a problem solver and I am always looking for new ways to improve the user experience. I am also a great team player, and I am passionate about collaborating with others to create innovative products.
